## BENEFITS

- Dexterity
- Durability
- Flexibility
- Grip
- With label

## APPLICATIONS

- Tool handling
- General mechanics
- Construction
- General works
- Forestry

### POLYESTER

Synthetic fiber : Good resistance to abrasion. Withstands shrinkage.

### SPANDEX

High density synthetic thread that increases comfort by "second skin" effect.

Gloves made of high quality materials offer increased protection to workers in addition to being comfortable!

Their fit, dexterity and durability allow you to work safety and quickly.
