

S202CS

CE

Welding

TECHNICAL CHARACTERISTICS

Welding glove. Cow leather palm
Split leather back
Water and oil resistant quality leather
Kevlar thread
Split leather cuff 4"

SIZES : S. M. L. XL.

PACKAGING : Dozen | 72 pairs/ box

BENEFITS

- Heat resistant
- Durability
- Flexibility
- Enhanced protection

APPLICATIONS

- Works of assembler
- Welder

COMPONENTS

Grain leather

Comes from the outside part of the skin. Provides natural resistance to water and oil. Durability and dexterity.

Split leather

Internal part rougher. It's resistant to heat and abrasion. Porous leather.

Cow leather

The most popular glove production. It offers several qualities and benefits such as comfort, durability and resistance to heat and abrasion.
