Welding

## TECHNICAL CHARACTERISTICS

Split deer leather  
Split leather cuff 4"

SIZES : M. L. XL.

PACKAGING : Dozen | 72 pairs/ box

## BENEFITS

- Good dexterity
- Flexibility
- Comfort

## APPLICATIONS

- TIG welding

## COMPONENTS

### Split leather

Internal part rougher. It's resistance to heat and abrasion. Porous leather.

### Deer leather

Although less resistant, it normally provides more flexibility while promoting excellent dexterity.
